

Temporal distribution of references in the AI4EO review

Research theme

Sector

Space Agencies Big Tech / Industry Labs Academia Consortia / Working Groups

*Each label is a bibliography reference number. Small colored dots mark the exact year/topic anchor; leader lines connect stacked labels to their anchor. Rouse et al. (1974, NDVI) [52] and Baltsavias (1999, laser scanning) [11] omitted from the temporal axis for clarity.
